Dear District IX Council,

Eastwood High School is thrilled to officially submit this letter of intent to host the upcoming District IX Spring Conference.

Eastwood High School is well known for its outstanding school environment. We would like to introduce our amazing school environment to the District IX Spring Conference. Eastwood High School was recently voted El Paso's best public high school, and it has new state of the art facilities. Additionally Eastwood has been very involved with TASC and District IX, holding various officer positions in both councils throughout the years. We know what is needed to host a phenomenal Spring Conference because we hosted the Fall Conference in 2019 and we are prepared to assist the District IX council with anything they may need in order to make this an amazing spring conference. We are prepared to assist and have experience in selecting a DJ, decorating the gym, setting up hospitality and more.

Eastwood is ready to take on the task of hosting this event. We intend to provide the necessary facilities for this conference, but more significantly, we hope to create a positive atmosphere for everyone in District IX to enjoy.

Sincerely,

Alexis Amaya, Student Body President

Robert Martinez, Principal

Lauren Uribarri, Student Activities Director
