**Dear District IX High Schools,**

Hello, my name is Ruben A. Martinez, and I am pleased to inform you that I will be running for the District IX President position. For the past three years, I have been a part of student council and have focused in making the school environment better for our student body. I believe I have what it takes to take on the position as President for the 2022-2023 District IX Executive Board Office.

Throughout my high school and middle school career, I've been involved in lots of community service and have been a part of student council. My goal has always been to focus on guiding the student body towards better leadership and commitment to making our school a better place for all of us. I had the privilege of being elected the Jefferson Silva Student Council Vice President for the 2021-2022 school year. Along with this, I also participate in many in-school extracurriculars that have made my leadership skills expand. The past 3 years I have learned many skills and gained a lot of knowledge as to what it takes to be a leader.

In closing, Jefferson/Silva has had the opportunity to serve as District IX Vice President and Parliamentarian in previous years. We have attended annual fall, spring and state conferences which have led us to become an outstanding student council and earn sweepstakes. With this being said, I feel confident enough to say I have the skills to uphold and continue what District IX has exceeded. It would be an honor and a privilege to hold the President position to serve Jefferson Silva as well as District IX. I hope I can count with your support and I look forward to meeting you personally. Thank you for your time.

Respectfully,

Ms. Yong Vega  
Principal

  
Ms. Katie Perez  
Student Council President

Ms. Angelica Lechuga  
Student Council Advisor

  
Ruben Martinez  
Student Representative
